Nancy,

Ref: Contract EP-C-15-022
WA # 2-94

As per our recent discussion and as a follow-up to my prior message I've attached the following. I also provided a comment for you (next to the items, in parenthesis).

- LOE Memo (let me know if I need to add/change anything)
- PWS Update (the Alternate WAM is removed for now in Section I.B, and a QA statement was removed from Section I.C)
- COR Nomination
- COR Certificate (my certification as a COR Level II)
- IGCE Update (10 hours added to labor category P4 – for Cadmus management-team review)
- Two QA Forms (a) QARF and (b) QA Verification (approved and signed by the R8 QA Director)
- QASP (updated the Document Development Row, Measureable Performance Standards Column, with one sentence at the end: "Measureable performance standards do not apply to the QMP and QAPP.")

To recap my prior submittal, I attached the following in my June 16 message:

PWS for our Work Assignment
CBI Review
Immediate Start Memo
IGCE
COR Appt Memo (signed)
CPOD WA Review Checklist

Please let me know if you have any comments or require further action on my part.
Thank you for your assistance!
